moneyline cymru

FOR LOCAL PEOPLE PROVIDING LOANS, SAVINGS, BASIC BANK ACCOUNTS AND ADVICE

Affordable loans which are a cost effective alternative where a Bank or Building Society will not help.

Are you looking to redecorate your home, buy a new cooker or washing machine, or looking to update any of your household furniture?

Maybe just need a small loan for school uniforms, or it might be that you want to consolidate one or two of your more expensive existing debts?

Whatever your need why not give Moneyline Cymru a try.
We also offer Savings Accounts to help you save for the future, Christmas, Birthdays or spending money for your holiday.

IS IT FOR ME?

Moneyline Cymru is a not for profit organisation, where all income is reinvested in the company to help more people. Loan repayments are collected directly from your bank account and therefore we do not have to pay collectors and can keep the cost down. As long as you can provide two forms of identification we can usually help you open a bank account too if you do not already have one.

To apply, simply telephone or call into your local Moneyline Cymru office. We will make you an appointment and ask you to fill in an application form. You will need two forms of ID and proof of income.

HOW MUCH WILL IT COST?

Typical Loan Example:

Amount Borrowed	Repayment Term	Weekly Payment	Interest Payment	Admin Fee	Total to Repay
£300.00	52 weeks	£6.56	£41.12	£18.00	£359.12

Typical APR 47.05% (Figures correct at time of going to print)
