

## Cardiff Accessible Homes

*'providing quality homes for disabled people in Cardiff'*

Cardiff Accessible Homes matches available properties which have been adapted and/or accessible to disabled people.

- Are you or a member of your family a disabled person?
- Are you interested in accommodation that is suitable for people with disabilities?
- Would you consider moving to accommodation that suitable is for people with disabilities?

If you have answered yes to any of the above questions you may be eligible to be part of the Cardiff Accessible Homes Project.

The project will assess your need for adapted and/or accessible housing, you will then be considered for properties which meet your needs.
