

Keeping Pets in your Home.

If you live in one of our houses, you may keep a pet such as a dog or cat provided the animal does not cause a nuisance to neighbours. You must get our written permission first.

If you live in a sheltered flat you are allowed to keep pets that you had at the time you were rehoused so long as they stay out of communal areas, including gardens, and do not cause a nuisance to your neighbours. Tenants in other types of flats must not keep pets.
