

Stairlift Service

- The Agency commenced delivery of the Cardiff Stairlift Scheme in partnership with the Disabled Facilities Section at Cardiff Council in March 2007. The scheme enables older and / or disabled people to remain living independently within their own homes for as long as possible by fast-tracking the provision and installation of stair lifts.
- The Agency administers the installation of straight stairlifts to properties of grant applicants in receipt of a means tested benefit following referrals from the Community Occupational Therapy Team or from the Disabled Facilities Section at Cardiff County Council
- Agency has 35 working days to complete the work
- Agency receives a fee in return for providing this service
